polar jade

BY BENJAMIN MOORE

“This rich blue-green is unexpected, and it bridges the gap between the historic bones of the house and the modern furnishings. It really makes the brick pattern and the stained mantel pop.”

—Elle Cantrell,
Elle Du Monde,
Atlanta, GA

rojo dust

BY SHERWIN-WILLIAMS

“I love that this warm, rougey shade doesn’t scream pink—it’s more of a muted red. When the golden afternoon light hits the room, the whole space glows.”

—Jamie Ivey,
Ivey Design Group,
Richmond, VA
